Plan to meet GMS / PMS 2014-15 Contractual Requirement for Patient online Service

This practice currently offers patients' facilities to book, view, amend, cancel and print appointments online.

This practice currently offers the facility for all patients to order online, view and print a list of their repeat prescriptions or medicines and appliances.

This practice plans to offer patients facilities to view on line, export or print any summary information from their record, relating to medications, allergies, adverse reactions and any other items agreed between the practice and individual patient, from **March 2015**, subject to the availability of NHS GP systems and software.

We will publicise and promote our online services to our practice patients through the practice website, practice waiting room leaflets, posters and the Patient Participation Group from December 2014 onwards.

In addition to the above, you may wish to provide further details of your plan as per the example below

	Planned activity	Date
1	Agree the initial small group of patients to use access to records	September 2014
2	Write up practice policies and internal staff awareness sessions	October 2014
3	Prepare promotion and information activities for the patients Review any nationally provided supportive material from RCGP/NHS England Train relevant staff for access (i.e. reception)	November 2014
4	Commence summary information access to records for patients in practice who request this Publicise online services to patients through website and PPG	December 2014 onwards
